

MOTHER

Mother

Tell your children not to walk my way
Tell your children not to hear my words
What they mean
What they say
Mother

Mother

Can you keep them in the dark for life?
Can you hide them from the waiting world?
Oh mother

Father

Gonna take your daughter out tonight
Gonna show her my world
Oh father

Not about to see your light
But if you wanna find her with me
I can show you what it's like
'Til you're bleeding

Not about to see your light
And if you wanna find her with me
I can show you what it's

Mother

Tell your children not to hold my hand
Tell your children not to understand
Oh mother

Father

Do you wanna bang heads with me?
Do you wanna feel everything?
Oh father

Not about to see your light
And if you wanna find her with me
I can show you what it's like
'Til you're bleeding

Not about to see your light
And if you wanna find her with me
I can show you what it's
Yeah

Not about to see your light
But if you wanna find her with me
I can show you what it's like
'Til you're bleeding

Not about to see your light
And if you wanna find her with me
I can show you what it's like
Oh yeah
More, yeah
