Cloud 9 – band reduction

Verse:

```
|E            |            |A            |            |
|F#           |A    E      |
|E            |            |A            |            |
|F#           |A    E      |            |
```

Chorus:
```
|A            |            |E        B  |            |
|A            |            |E        B  |            |
|F#        A  |            |E        B  |            |
|F#           |            |A           |            |
```

Form:
