

I Thought It Was You

[Verse 1]

Just glance from behind
Happened by chance or design
The perfume she wore
Took me back through a door
I had closed long ago
Suddenly

[Chorus]

I Thought it was you
Thought it was you
Thought it was you
Remember what we knew
I Thought it was you
Thought it was you
Remember when I thought it was you

[solos]

[Verse 2]

We were young love was new
Warm as the sun shining through
In your arms it seemed
I went back to a dream
I had seen long ago
Suddenly

[Chorus]

I Thought it was you
Thought it was you
I Thought it was you
Remember what we knew
Thought it was you
Thought it was you
Remember when i thought it was you
