

## "Style"

### [Verse]

Midnight

You come and pick me up, no headlights

Long drive

Could end in burning flames or paradise

Fade into view, oh, it's been a while since I  
have even heard from you (heard from you)

### [Prechorus]

I should just tell you to leave 'cause I

Know exactly where it leads but I

Watch us go 'round and 'round each time

### [Chorus]

You got that James Dean daydream look in  
your eye

And I got that red lip classic thing that you  
like

And when we go crashing down, we come  
back every time

'Cause we never go out of style

We never go out of style

You got that long hair, slicked back, white  
t-shirt

And I got that good girl faith and a black  
little skirt

And when we go crashing down, we come  
back every time

'Cause we never go out of style

We never go out of style

### [Verse 2]

So it goes

He can't keep his wild eyes on the road

Takes me home

Lights are off, he's taking off his coat, hmm,  
yeah

I say, "I heard, oh, that you've been out and  
about with some other girl, some other girl."

### [Prechorus]

He says, "What you've heard is true but I

Can't stop thinking about you," and I

I said, "I've been there, too, a few times."

### [Chorus]

'Cause you got that James Dean daydream  
look in your eye

And I got that red lip classic thing that you  
like

And when we go crashing down, we come  
back every time

'Cause we never go out of style

We never go out of style

You got that long hair, slicked back, white  
t-shirt

And I got that good girl faith and a black  
little skirt

And when we go crashing down, we come  
back every time

'Cause we never go out of style (We never  
go, we never go)

We never go out of style

### [Hook]

Take me home

Just take me home, yeah

Just take me home

(Out of style)

### [Outro]

You got that James Dean daydream look in  
your eye

And I got that red lip classic thing that you  
like

And when we go crashing down

We come back every time

'Cause we never go out of style

We never go out of style
