

Oh, oh, oh-oh
Oh, oh, oh-oh
Oh, oh, oh-oh, oh-oh, oh-oh

We couldn't turn around till we were upside
down
I'll be the bad guy now, but know I ain't too
proud
I couldn't be there even when I try
You don't believe it, we do this every time

Seasons change and our love went cold
Feed the flame 'cause we can't let go
Run away, but we're running in circles
Run away, run away
I dare you to do something
I'm waiting on you again, so I don't take the
blame
Run away, but we're running in circles
Run away, run away, run away

Let go, I got a feeling that it's time to let go
I said so, I knew that this was doomed from
the get-go
You thought that it was special, special
But it was just the day though, the day
though
And I still hear the echoes (The echoes)
I got a feeling that it's time to let it go, let it
go

Seasons change and our love went cold
Feed the flame 'cause we can't let go
Run away, but we're running in circles
Run away, run away
I dare you to do something
I'm waiting on you again, so I don't take the
blame
Run away, but we're running in circles
Run away, run away, run away

Maybe you don't understand what I'm going
through
It's only me, what you got to lose?
Make up your mind, tell me, what are you
gonna do?
It's only me, let it go

Seasons change and our love went cold
Feed the flame 'cause we can't let go
Run away, but we're running in circles
Run away, run away
I dare you to do something
I'm waiting on you again, so I don't take the
blame
Run away, but we're running in circles
Run away, run away, run away
