

## **"I Forgot That You Existed"**

How many days did I spend thinking  
'Bout how you did me wrong, wrong, wrong?  
Lived in the shade you were throwing  
'Til all of my sunshine was gone, gone, gone  
And I couldn't get away from ya  
In my feelings more than Drake, so yeah  
Your name on my lips, tongue-tied  
Free rent, living in my mind

**But then something happened one magical night**

**I forgot that you existed  
And I thought that it would kill me, but it didn't  
And it was so nice - So peaceful and quiet  
I forgot that you existed  
It isn't love, it isn't hate, it's just indifference  
I forgot that you**

Got out some popcorn  
As soon as my rep started going down, down, down  
Laughed on the school yard  
As soon as I tripped up and hit the ground, ground, ground  
And I would've stuck around for ya  
Would've fought the whole town, so yeah  
Would've been right there, front row  
Even if nobody came to your show

**But you showed who you are, then one magical night**

**I forgot that you existed  
And I thought that it would kill me, but it didn't  
And it was so nice - So peaceful and quiet  
I forgot that you existed  
It isn't love, it isn't hate, it's just indifference  
I forgot that you**

*Sent me a clear message  
Taught me some hard lessons  
I just forget what they were  
It's all just a blur*

**I forgot that you existed  
And I thought that it would kill me, but it didn't  
And it was so nice - So peaceful and quiet  
I forgot that you existed - I did, I did, I did  
It isn't hate, it's just indifference  
It isn't love, it isn't hate, it's just indifference, So, yeah**
