

"Plush"

And I feel that time's a wasted go
So where ya going 'til tomorrow?
And I see that these are lies to come
So would you even care?

And I feel it - And I feel it

Where ya going for tomorrow?
Where ya going with the mask I found?
And I feel, and I feel
When the dogs begin to smell her
Will she smell alone?

And I feel, so much depends on the weather
So is it raining in your bedroom?
And I see, that these are the eyes of disarray
Would you even care?

And I feel it - And she feels it

Where ya going for tomorrow?
Where ya going with the mask I found?
And I feel, and I feel
When the dogs begin to smell her
Will she smell alone?

When the dogs do find her
Got time, time, to wait for tomorrow
To find it, to find it, to find it
When the dogs do find her
Got time, time, to wait for tomorrow
To find it, to find it, to find it

Where ya going for tomorrow?
Where ya going with the mask I found?
And I feel, and I feel
When the dogs begin to smell her
Will she smell alone?

When the dogs do find her
Got time, time, to wait for tomorrow
To find it, to find it, to find it
When the dogs do find her
Got time, time, to wait for tomorrow
To find it, to find it, to find it
To find it - To find it - To find it
