

"Enemy" (G F#)

I wake up to the sounds
Of the silence that allows
For my mind to run around
With my ear up to the ground

I'm searching to behold
The stories that are told
When my back is to the world
That was smiling when I turned

**Tell you you're the greatest
But once you turn they hate us**

**Oh the misery
Everybody wants to be my enemy
Spare the sympathy
Everybody wants to be
My enemy-y-y-y-y
My enemy-y-y-y-y**

Your words up on the wall
As you're praying for my fall
And the laughter in the halls
And the names that I've been called

I stack it in my mind
And I'm waiting for the time
When I show you what it's like
To be words spit in a mic

Tell you you're the greatest
But once you turn they hate us

**Oh the misery
Everybody wants to be my enemy
Spare the sympathy
Everybody wants to be
My enemy-y-y-y-y
My enemy-y-y-y-y**

Teagan

They say pray it away
I swear, that I'll never be a saint, no way
A chair in the corner is a place I stay
I shake and I think about the powers at play, the powers at play

And the kids in the dark that were doomed from the start
The child in the basement, face to the pavement
Oh, what a statement, love is embracement
Love is a constant, love is a basis

He cannot be, she cannot be, they cannot be changed
But keep on praying Goodbye

(A capella)

Oh the misery

(Band In on F#)

Everybody wants to be my enemy

Spare the sympathy

Everybody wants to be

My enemy-y-y-y-y

My enemy-y-y-y-y

Oh the misery

Everybody wants to be my enemy

Spare the sympathy

Everybody wants to be

My enemy-y-y-y-y

My enemy-y-y-y-y

Pray it away

I swear, that I'll never be a saint, no way

Pray it away

I swear, that I'll never be a saint, no way
